

WaterEquity is an asset manager exclusively focused on solving one of the most urgent issues of our time—the global water and sanitation crisis. We invest in financial institutions, enterprises, and infrastructure in emerging markets delivering access to safe water and sanitation to low-income consumers, aligning investor values with risk-adjusted returns.

Founded by award-winning entrepreneurs Gary White and Matt Damon of Water.org and led by Paul O’Connell, the success of WaterEquity is built on decades of experience investing in water and sanitation in emerging markets, seeking social and financial returns.
